Earn your MBA in Supply Chain and Operations Management – 100% Online

CSU Global's MBA in Supply Chain and Operations Management is an accelerated program designed for working professionals who want to lead in today's interconnected global economy. This ACBSP-accredited degree can be completed in 20 months or less.

You'll develop advanced expertise in operations strategy, logistics, and supply chain optimization while strengthening core business skills in finance, marketing, leadership, and analytics. Prepare to drive innovation, improve efficiency, and deliver value across the entire supply chain, from procurement to final delivery.

Program learning outcomes:

- **Strategic integration** – Align core business functions to support supply chain goals.
- **Systems design** – Build agile, end-to-end supply chain solutions for global impact.
- **Data-driven improvement** – Leverage analytics to boost efficiency and performance.
- **Sustainable leadership** – Lead ethical, resilient operations in dynamic environments.

Top jobs include:

Supply Chain Managers | Median Pay: **\$98,000**

Logistics Analysts/Logisticians
Median Pay: **\$80,800**

Operations Managers | Median Pay: **\$102,950**

Check our program page for current salary data. Salary data from Lightcast via O*NET Online or other sources.

Your Master of Business Administration from CSU Global is accredited by the Accreditation Council for Business Schools and Programs.

Best No GRE Master's Degrees for 2020 CSU Global was ranked #2 on Best Master's Programs top No GRE Master's Programs list.

A lot of the master's programs that had initially accepted me were not willing to work around my schedule. **CSU Global gave me the opportunity to achieve my master's while working full-time and challenging me educationally."**

– **Ruben Pekary** | M.S. in Professional Accounting

CSU Global and **YOU**

Your future **starts here.**

We'd love to welcome you to CSU Global, where our MBA in Supply Chain and Operations Management is built to help you lead with strategy and confidence. This fully online, accelerated degree prepares you to design and manage agile supply chain systems, leverage data to improve performance, and lead sustainable, cross-functional operations—while strengthening the core business skills needed to thrive in today's global marketplace.

Whether you're advancing in your current role or pivoting into product leadership, we're here to support your next step. Since 2007, we have offered a 100% online learning experience using our state-of-the-art learning platform for adult learners who need to fit school around other commitments. Flexibility is built into everything we do.

Our curriculum, designed in collaboration with industry leaders, offers both theoretical knowledge and practical skills that align with today's job market demands. We provide you with:

- A personal success counselor
- 1-on-1 tutoring
- Career coaching
- Round-the-clock access to tech support, library services, and the writing center.

Whatever you need, we go there.

We look forward to welcoming you to CSU Global and supporting you on your journey to becoming a skilled, knowledgeable, and ethical professional.

Warmly,

Jerid Counterman, MS | Assistant Vice President, Student Achievement and Services, CSU Global
