

# CSU GLOBAL

## Master of Science Degree in

## FINANCE

The Master of Finance program is designed to develop leadership, international perspectives, and operational skills in finance by focusing on career development that incorporates state-of-the-art nontraditional and emerging electronic formats. This program enriches students' abilities in crucial aspects of financial management, investment, capital market analysis, applied research, and quantitative skills. Additionally, it is accredited by ACBSP, a global accrediting body for quality business programs.

### Key Takeaways

- Demonstrate solid analytical and financial decision-making skills, in both written and verbal communication.
- Adapt to evolving global business environments by formulating financial strategies.
- Demonstrate a solid ethical foundation for financial decision-making and leadership.
- Apply financial theory and practice from a managerial perspective.
- Analyze financial statements to assess a company's financial health.
- Determine risk-adjusted valuations for financial assets, including bonds, stocks, and derivatives.
- Evaluate investment projects and perform security analysis, risk measurement, and portfolio management.

### Career Opportunities

Our students who study finance typically go into these careers:

- Budget Analyst
- Personal Financial Advisor
- Financial Risk Management Analyst
- Fraud Examiner

CSU GLOBAL

The Master of Finance program consists of eight 3-credit core courses and four 3-credit specialization courses in an area of interest to the student. The core courses are listed in the suggested order of completion:

COURSE NUMBER AND TITLE
ORG502 Effective Organizations: Theory and Practice
FIN500 Principles of Finance
FIN507 Bank Management
FIN530 Corporate Finance
FIN540 Investments
FIN550 Financial Markets and Institutions
FIN570 Insurance and Risk Management
FIN580 Capstone: Finance

Note: Some Master of Finance students may also be required to take RES500 or BUS500 as part of their program if they have an undergraduate GPA below 3.00. In this case, the degree is 39 credits.

Students who do not have a previous business-related degree from an ACBSP-accredited program must complete BUS500 before completing other program requirements. Provisionally admitted students whose undergraduate degrees do not meet the requirements will complete RES500 or RES501, rather than BUS500.
