CSU Global and YOU

Your future in agile management **starts here**.

We'd love to welcome you to CSU Global, where our **B.S. in Agile Project Management** is designed for driven professionals who want to thrive in fast-paced, ever-changing environments. This fully online program teaches you to master Agile frameworks like Scrum and SAFe, plan and execute projects that deliver measurable value, and lead teams with confidence. You'll gain the skills to foster collaboration, adapt to shifting priorities, and integrate innovative technologies into real-world solutions—all while preparing for industry-recognized certifications such as CSM, CSPO, SAFe, and PMI-ACP.

Since 2007, we have offered a 100% online learning experience using our state-of-the-art learning platform for adult learners who need to fit school around other commitments. Flexibility is built into everything we do.

Our curriculum, designed in collaboration with industry leaders, offers both theoretical knowledge and practical skills that align with today's job market demands. We provide you with a personal success counselor, 1-on-1 tutoring, career coaching, round-the-clock access to tech support, library services, and the writing center. **Whatever you need, we go there.**

We look forward to welcoming you to CSU Global and supporting you on your journey to becoming a skilled, knowledgeable, and ethical professional.

Warmly,

Jerid Counterman, MS
Assistant Vice President, Student Achievement and Services CSU Global
