## Earn a B.S. in Health Sciences

**Looking for a flexible, career-ready degree in healthcare?** CSU Global's Bachelor of Science in Health Sciences is accredited by the Higher Learning Commission (HLC) and offers two distinct tracks: a clinical track for students who want to work directly with patients through courses in nutrition, physiology, and pharmacology, and a non-clinical track for those interested in healthcare leadership, operations, quality assurance, and case management.

### Graduates will have the skills to:

- Solve complex healthcare challenges
- Apply ethical standards to decision-making
- Communicate across diverse populations
- Navigate healthcare systems and policies

### Clinical track students will also:

- Build skills in disease management and patient care
- Apply clinical sciences in real-world settings

### Non-clinical track students will also:

- Improve care delivery through operations, case management, and policy

### Top jobs include:

#### Health Educator

Median Pay: **\$63,000**

#### Medical Lab Technologist

Median Pay: **\$61,890**

#### Health Services Administrator

Median Pay: **\$109,741**

## CSU Global and **YOU**

Your future **starts here.**

We'd love to welcome you to CSU Global, where our **Bachelor of Science in Health Sciences** prepares you for meaningful careers in patient care, healthcare operations, case management, and more. With two distinct tracks—clinical or non-clinical—you can tailor your degree to match your career goals and build job-ready skills for today's evolving healthcare landscape.

Since 2007, we have offered a 100% online learning experience using our state-of-the-art learning platform for adult learners who need to fit school around other commitments. Flexibility is built into everything we do.

Our curriculum, designed in collaboration with industry leaders, offers both theoretical knowledge and practical skills that align with today's job market demands. We provide you with a personal success counselor, 1-on-1 tutoring, career coaching, round-the-clock access to tech support, library services, and the writing center. **Whatever you need, we go there.**

We look forward to welcoming you to CSU Global and supporting you on your journey to becoming a skilled, knowledgeable, and ethical business management professional.

Warmly,

**Jerid Counterman, MS**
