Bachelor of Science in Interdisciplinary Professional Studies

Courses
The Bachelor of Science in Interdisciplinary Professional Studies program consists of ten 3-credit courses:

ORG300	Applying Leadership Principles
IPS450	Individualized Learning Portfolio

Note:
Students must take one approved course from each of the following content areas:

- Communications
- Quantitative Skills
- Global Awareness
- Social Responsibility
- Technology
- Critical Thinking
- Business
- Strategic Innovation

Each course may only fulfill one content area requirement, and at least four of the eight selected courses must be at the 400 level.

Students must submit all required courses in their individualized degree plan to the Interdisciplinary Professional Studies Faculty Mentor prior to initial enrollment. To modify major courses after enrollment, students should contact their Student Success Counselors for additional approval from the Interdisciplinary Professional Studies Program Director.
