

Stay Local. Go Global.

8-week classes | 100% online | Monthly start dates | No set class times

Earn your bachelor's degree without leaving home

Transfer made simple

If you've completed your A.A. or A.S. at a Colorado community college...
You've got **guaranteed admission** to CSU Global—**plus 10% in tuition savings**

Stay close to what matters

If you've completed an A.A. or A.S. at a Colorado community college, you're guaranteed admission, and all 60 credits transfer into a CSU Global bachelor's program—making it easier to keep going while staying close to work, family, and community.

Build toward a future that pays off

Choose from career-relevant bachelor's degrees in fields like business, marketing, tech, healthcare, and more. Plus, 98% of Colorado employers surveyed are satisfied with the CSU graduates they hire, meaning employers value the skills our students bring to the workplace.

You won't have to figure it all out alone

From enrollment through graduation, CSU Global gives you real support—including financial aid guidance and a dedicated success counselor who helps you stay on track.

Great support from advisors! **Everyone, including instructors, are very responsive. I loved the structure of the classes, how homework is always due the same days of the week, no matter the class, so you always know what to expect.** Lastly, this accredited program is a great price.”

— Amber, Trustpilot Review

Ranked #17 Best online bachelor's in the country by *U.S. News & World Report*

Best in Colorado
Highest-ranked online bachelor's in the state.

Ranked #7 Best online bachelor's for veterans in the U.S. by *U.S. News & World Report*
